Houston Methodist and ISMICS are proud to present

8TH ANNUAL

RE-EVOLUTION SUMMIT

*Minimally Invasive Cardiac Surgery (MICS):
The Ultimate Hands-On Summit*

Houston Methodist Research Institute ▪ 6670 Bertner Ave., Houston, TX 77030

Program Director: Mahesh Ramchandani, MD, FRCS

Chief, Division of Cardiac Surgery ▪ Houston Methodist DeBakey Heart & Vascular Center

Program Co-Director: Johannes Bonatti, MD ▪ President of ISMICS

events.houstonmethodist.org/reevolution

OVERVIEW ▪ This conference will teach the practical aspects of minimally invasive and robotic cardiac surgery. Topics include CABG, MV Repair, AVR, TAVR and TEVAR. The program consists of didactics, extensive hands-on experience taught by a world-class faculty in a state-of-the-art facility, and opportunities to network with faculty.

Houston Methodist is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

This live activity has been approved for *a.m.A PRA Category 1 Credit™*.
